

The joy of life comes from our encounters with new experiences, the very basic core of a man's living spirit is his passion for adventure and hence there is no greater joy than to have endlessly changing horizon and experiences.

This is what "**ADVENTURE NEXUS**" is all about.

CAMP NEXUS

This is a multi day adventure program conducted at camps in different locations. The program gives kids knowledge of adventure and travelling in the mountains. Kids learn to overcome several fears, learn to work in groups, learn mountain manners, survival skills, trekking and much more from these programs. This program is generally spread over a period of 2-5 days depending on the available days in hand.

ADVENTURE SHELL

Day programs are specially designed programs for experiencing skill based adventure activities within the school without having to go through the hassle of leaving the school premises and travelling distances. The objective of the program is to provide a feel of outdoors and a taste of adventure within the school. The program prepares children to face the toughest challenge in wilderness as well as everyday life.

The programs are conducted under the supervision of trained, certified and experienced outdoor professionals. The activities of the program comply with the procedures used by experienced outdoor specialists.
